</table>
The National Grocers Association (NGA) is the national trade association representing the retail and wholesale grocers that comprise the independent sector of the food distribution industry. An independent retailer is a privately owned or controlled food retail company operating a variety of formats.

NGA members include retail and wholesale grocers, state grocers associations, as well as manufacturers and service suppliers.

**NGA Mission**
To ensure independent, community-focused retailers and wholesalers the opportunity to succeed and better serve the consumer through its policies, advocacy, programs, and services.

**NGA Philosophy**
To promote diversity in the marketplace through a vibrant independent sector, and thereby increase consumer choice in price, variety, quality, service and value.

The independent grocery sector is accountable for close to 1% of the nation’s overall economy and is responsible for generating:

- **$131 billion** in sales
- **944 thousand** jobs
- **$30 billion** in wages
- **$27 billion** in taxes
The NGA Best Bagger competition is a yearlong contest in which the top grocery baggers in the country compete to be crowned the National Best Bagger Champion at NGA’s annual convention, The NGA Show. Contestants are judged on speed, bag-building technique, weight distribution between bags, style, attitude, and appearance.

**1983**
The American Paper Institute sponsored its first annual bag-packing contest with a grand prize amount of $1,983.

**1987**
The first National Grocers Association Best Bagger Championship was held in Dallas, Texas.

**1989**
The Best Bagger Champion first appears on the Late Show with David Letterman, leading to an annual appearance on the TV show for the Best Bagger Championship.

**2010**
The NGA Board of Directors voted to switch from paper and plastic bags to reusable bags. This was in response to the increase in consumer popularity of reusable bags around the country. That year NGA also increased the grand prize to $10,000.

**2013**
In 2013, PepsiCo became the official Title Sponsor of the National Best Bagger Championship.

SECTION 1: GENERAL GUIDELINES AND REGULATIONS

OBJECTIVE:

- To encourage the teaching and development of the particular knowledge and skills of successful bagging and customer service.
- To provide the opportunity for all supermarket operators to organize Best Bagger Competitions, thereby promoting knowledge and interest in successful bagging and customer service skills.
- To promote good organization, fair competition, and good sportsmanship through friendly competition.
- To incorporate customer service knowledge and skills into the learning experience of bagging groceries.

Organizers should encourage staff that spends at least 40% of their time at work in the front-end, bagging customers’ groceries to compete in a Best Bagger competition. A bagger’s primary duties must be classified as front-end staff and must have a non-managerial title, role, and set of responsibilities in order to be eligible to compete. A Best Bagger competition has served its purpose when the baggers have learned better bagging techniques, sportsmanship, and customer service skills.

These rules will apply for the 2020 competition year and beyond until further revision or amendment. Any contingency not covered herein should be referred to the National Grocers Association Best Bagger Coordinator. These rules are intended to establish standards for Best Bagger competitions while allowing flexibility in state and retailer level organizations.

FORM OF COMPETITIONS

1. Organizers are free to hold as many competitions as they wish.
2. Competitions may be organized over a period of one or two days if necessary.
3. Organizers are encouraged to hold competitions in “heats” with multiple Baggers competing against each other at a time.
4. Organizers are required to hold a “Bag Off” contest if there are multiple winners in a state to determine who will represent the state at the National Best Bagger Championship.

ELIGIBILITY

1. A bagger’s primary duties must be classified as front-end staff and must spend at least 40% or more of their time at work bagging groceries.
2. To be eligible, all baggers must have a non-managerial title, role, and set of responsibilities.
3. There shall be only one Bagger allowed to compete from each state at the National Best Bagger Championship.
   a. Organizers with store locations in multiple states may enter a Bagger from any state where their organization has locations.
   b. Baggers do not have to hold residency within the state they are representing at the National Best Bagger Championship.
SECTION 2: THE COMPETITION

3. All contestants must be of legal working age in their home state.
4. Previous National Best Bagger Champions are not eligible to compete.
5. Due to the location of the National Best Bagger Championship, Baggers 20 years old or younger shall have at least one chaperone who must be at least 21 years of age.

DRESS
All contestants should present a neat appearance in uniform during a Best Bagger Competition.

THE PERFECT BAGGING LOCATION
When organizing a Best Bagger Competition, it is important to have the competition space that fits the organizer. What may work for a state association may not work for a retailer- and that is OK! Make sure that you have a designated area for contestants to gather and wait their turn, ample space for the Judges to weigh and calculate the heats, as well as an area for the audience to observe. Below is a list of example locations and venue possibilities for competitions of all sizes.

- Store front parking lot
- State fair
- Church parking lot
- Local food bank
- Local high-school parking lot
- Store check stands
- Local mall parking lot
- Convention center

*PLEASE NOTE: Due to the COVID-19 pandemic there are a number of new considerations hosts must plan for. Please review the COVID-19 event considerations on page 28.*
THE COMPETITION

BEST BAGGER EQUIPMENT

The National Grocers Association encourages every Best Bagger Competition Organizer to be creative with their contest while following the rules. **Whatever an Organizer decides to do must be the same for all contestants. Below is a list of required and optional equipment needed to host a Best Bagger competition.**

REQUIRED EQUIPMENT

- Tables or check stands for each bagger in a heat
- Microphone and sound/PA system
- Racks to hold bags open
- At least two electronic scales
- At least two calculators
- A stopwatch for each timer
- Score sheets
- Bags for heat - Reusable bags strongly suggested
- Two complete sets of groceries per check stand
- Grocery item labels for each check stand

OPTIONAL EQUIPMENT

- Whistle
- Decorations
- Contest t-shirts/ uniforms for the organizers Best Bagger team
- Signs acknowledging event sponsors

THANKS TO OUR SPONSORS
CHECk STAND SET-UP

Best Bagger Organizers must do the same check stand set-up for each contestant. Each contestant will bag identical grocery orders consisting of 30 to 38 commonly purchased items. A recommended grocery list is provided for you in this handbook on page 22. Below you will find an example of a proper check stand set-up of grocery items with labels.

BAGS

Organizers may choose to do two rounds each with different types of bags, plastic and reusable, to determine which Bagger is the winner of their competition. It is highly encouraged to use only reusable bags at all levels of Best Bagger Competitions since reusable bags are used at the National Best Bagger Championship. The dimensions of the bags used at the National Best Bagger Championship are 14.17 x 11.81 x 7.09 - length x width x side gusset.

Once a winner has been determined to represent your state at the National Best Bagger Championship, it is the state’s or sponsoring store’s responsibility to contact NGA for official competition bags to practice with for the National Best Bagger Championship.

To make this request, please email bestbagger@nationalgrocers.org or call the NGA office at 703-516-0700.
THE COMPETITION

EXCEPTION TO RULES

It is recognized that some limitations may from time to time exist, which make it impossible or impractical for a Best Bagger competition to fully comply with the rules set forth in this handbook. In such cases, the organizer of a Best Bagger competition shall make every effort to comply with the intent of these rules if an exception must be made. The organizer should use restraint in making “house rules” and do so only if it is in the best interest of the baggers and the event.

TIME:
How quickly a bagger bags his/her grocery order properly is an important factor in determining a winner of a Best Bagger competition. No heat should last longer than two minutes.

A timer shall begin the stopwatch when the emcee starts the heat with a verbal command, and stop the stopwatch when the bagger has raised his/her hands above his/her head. Once the bagger has raised his/her hands above his/her head, his/her time will stop and they will not be allowed to touch the check stand or bags. If a bagger partially raises his/her hands not above his/her head the time will continue and he/she can pick up any missed items and place them in a bag, and then raise his/her hands above his/her head stopping the time.

Below you will find a broken-down list of average time per possible points. This is also located in the back of this handbook on the Best Bagger Individual Score Sheet.

</tr>
</tbody>
</table>
TIES

A tie score situation is relevant in two situations.

1. **Preliminary Heat Tie**
   
   *When two or more baggers are tied for the finals.*
   
   a. Total points the baggers earned for **speed** will determine the winner.
      (Should a tie remain at this point)
   
   b. The bagger with the most points for building **technique** will be declared the winner.
      (Should a tie remain at this point)
   
   c. The two baggers must bag again in a tie-breaker heat for final elimination.

2. **Final Heat Tie**
   
   a. Should there be a tie for first place, those baggers who are tied would take part in a tie-breaker heat.
      The tie-breaker heat would follow all procedures as in any other heat.
   
   b. Should there be a tie for a second and third place, follow the steps mentioned above under Preliminary Heat Tie.
SCORING
The bagger who scores the most points shall win the contest. Baggers are awarded points based off of speed, proper bag building technique, distribution of weight between bags, style, attitude and appearance. Below you will find a breakdown of points for each category. A Best Bagger Individual Score Sheet can be found on page 27.

**Speed = 10 points total**

**Proper Bag Building Technique = 10 points total**
1. Cans and jars on the bottom of the bags (no cans on top of cans, jars on top of cans or other jars)
2. Boxes on the sides or walls of the bags (cannot be lying flat)
3. Crushable items on top of the bag
   a. Eggs
   b. Bread
   c. Chips
4. “Filler” items are in spaces between items
   a. Bag of sunflower seeds
   b. Seasoning package
   c. Jell-O boxes
5. No glass bottles next to each other (filler item separating them)
6. Bottles and other glass-encased items are in the center of the bag
7. Items are damaged (bent, torn, or dented)
8. Bags are disorderedly (items just thrown in the bag)
9. Items left on the check stand (one point deducted for each item left on the check stand)
10. Bag or bags left on the rack(s)

**Distribution of Weight Between Bags = 5 points total**
To calculate the score, weigh each bag and record the weight. Subtract your lightest bag weight from your heaviest bag weight. Then subtract the difference you just found from the total possible points.

- Example: the heaviest bag weighs 13.15 pounds. The lightest bag weighs 12.05 pounds. The weight difference between the two bags is 1.1 pounds. Subtract this difference from the total possible points (5.00 – 1.1 = 3.9). The total points to be awarded is 3.9.
Style, Attitude and Appearance = 5 points total
All contestants should present a neat appearance, be polite, and convey a customer-oriented attitude. Contestants will be judged in part on their composure and self-confidence.

DROPPED ITEM DURING HEAT
A bagger must pick up any dropped item. The one exception is when an item falls from the stage. In the interest of safety, we do not want the bagger diving after the item. In this case, an automatic one-point deduction will be taken from the “Bag Building Technique” score for that heat.
SECTION 3: BEST BAGGER OFFICIALS

To insure the Organizer has a successful Best Bagger competition, it is important to have a reliable Best Bagger team to help you. Below you will find a list of positions you will need to fill to create your Best Bagger team.

1. Emcee
   a. The perfect person for an emcee position is someone who enjoys speaking in front of a group. An ideal candidate might be a senior official in the organization, someone involved in the community, a local radio host, or a Member of Congress.
   b. Duties of an emcee are:
      i. Explain the purpose of the Best Bagger competition
      ii. Review the judging criteria
      iii. Introduce each bagger
      iv. Provide running entertaining commentary during the Best Bagger competition
      v. Interview the Baggers after each heat
      vi. Make sure the judges, timers, and baggers are ready before beginning each heat
      vii. Start each heat with a verbal command
          i. Example: “Ready! Set! Bag!” or “Ready! Set! Go!”
          ii. Must start each heat exactly the same

2. Judges
   a. You will need two Judges for your contest. Judges must be fair, consistent and impartial. An ideal candidate might be someone who has bagging experience. Do not have a judge for each check stand.
   b. Duties of a Judge are:
      i. Complete the **bagging technique section** on the score sheet
      ii. Weigh each bag on the scale provided
      iii. Write down the weight of each bag on the score sheet before handing the completed score sheet to the scorekeeper

3. Timer
   a. You will need one timer per check stand. Timers are responsible for keeping time of each heat and are able to help re-set the groceries on the check stands if you do not have a designated re-setter. Timers do not move or touch the bags.
   b. Duties of a timer are:
      i. Timers start the stop watch when the emcee gives the verbal command
      ii. Timers stop the stop watch when the contestant has raised his/her hands above their head
      iii. When the heat is completed, the timer writes down the baggers time on the score sheet then places it on top of one of the bags for the Judges
      iv. When the heat is completed, the timer writes the check stand number on the bags so the judges know which bags belong to which bagger
4. **Scorekeeper**  
   a. You will need at least two scorekeepers. Scorekeepers are responsible for assisting the judges with tallying up the final scores.  
   b. Duties of a scorekeeper are:  
      i. Fill out a score sheet for each bagger and place it at the check stand prior to the beginning of each heat  
      ii. Add up the total of points on the score sheet after the Judge turns them in and check the scores with the other scorekeepers  
      iii. At the end of preliminary heats the scorekeepers present the four to five highest scores to the emcee so the baggers can be announced to “Bag Off” in the final heat  

5. **Re-Setter**  
   a. **This is an optional position.** You will need one person per check stand to assist the Timer and Judges when it comes to re-setting the grocery order for the next heat.  
   b. Duties of a re-setter are:  
      i. Remove the already weighed bags to a holding area for easier access of the grocery order to prepare them for re-setting  
      ii. Re-set the grocery order before each heat  
      iii. Exchange any damaged groceries as needed in the grocery order before each heat  
      iv. Assist the timers and judges if they need it in calculating the score  

6. **Organizer**  
   a. An Organizer is the Best Bagger competition coordinator. An organizer is responsible for all aspects of the Best Bagger competition that is being held.  
   b. Duties of an Organizer may or may not include:  
      i. Appoint a Best Bagger team and make sure they are familiar with the rules  
      ii. Find a location for the Best Bagger competition  
      iii. Oversee the budget plan  
      iv. Obtain sponsorship if necessary  
      v. Provide a handbook to all contestants  
      vi. Turn in the appropriate forms to the National Grocers Association found on their website  
      vii. Determine prizes and awards  
      viii. Market the competition  
      ix. Recruit Baggers to compete  
      x. Provide equipment necessary to host a Best Bagger competition  
      xi. Collect entry forms from each contestant prior to the Best Bagger competition  
      xii. Provide NGA with total number of contestants competing in your competition
Awards for preliminary and state competitions are very flexible. Ideally, the winner should have the opportunity to advance to the next stage of the competition such as the state or national competition. The winner from every state will receive a certificate and cash prize of $250.00 from the National Grocers Association to be mailed after the conclusion of The NGA Show.

**Prizes can include:**
- Cash
- Best Bagger t-shirt
- Ribbon
- Trophy
- Travel expenses to the National Best Bagger Championship

### CASH PRIZES

Cash Prizes for the National Best Bagger Championship winners are awarded after The NGA Show in the amounts listed below:

- **National Champion:** $10,000.00
- **First Runner Up:** $5,000.00
- **Second Runner Up:** $1,000.00
- **Third Runner Up:** $1,000.00
- **Fourth Runner Up:** $1,000.00
Whether you are organizing a local level competition or a state-wide competition sponsorship opportunities are mutually beneficial. A sponsor benefits from either advertising, public awareness, product sales or some combination of these and you will benefit by having the burden of expenses lifted. Below you will find a guide for obtaining the appropriate type of sponsorship for your event.

1. The first step an organizer should take in planning a Best Bagger competition is figuring out the overall budget. What will it cost or items will you need to organize a successful competition? Once you have a budget set in place then you can determine just how much you will need from a sponsor or a combination of sponsors.

2. Create a list of target sponsorship prospects. This could be compiled of former contestants, local connections such as a radio station, and wholesalers.

3. Once you have a target list, plan what you are committing in return to your potential sponsor. This could be anything such as product placement, signage, logos in a program or on the website/through social media. Customize your commitment appropriately to fit the sponsor.

4. Create a compelling sponsor proposal. Make sure this letter/email contains the story behind your organization and the Best Bagger competition. As well as the sponsor benefits, your marketing plans, media opportunities, and the sponsor fees.

5. Customize each sponsor proposal to fit the intended audience.

6. Always thank your sponsors during and after the competition.

7. After the competition, be sure to ask for their commitment to sponsor next year’s competition too!
The National Grocers Association highly recommends that you tell your story to local newspapers, tv stations and local radio stations. Local news outlets are easier to obtain coverage, as they focus on such a niche area, and your story involves the community relevant to their audience. To ensure coverage, contact at least fifteen to twenty media outlets- TV, newspapers, online news, and radio stations are all great places to start with. The more people you pitch to, the more likely you are to have your competition covered.

Items that can be helpful if you are wanting media coverage for your Best Bagger competition are listed below.

1. **Media Advisory**
   a. A media advisory alerts the media to upcoming events. This is an invitation that answers only the important questions: Who, What, When, Where, and Why
   b. Make sure you include contact information in your media advisory for the reporters to get more information for their pieces and the contact information you would like to be published
   c. Submit an media advisory two to four days prior to your Best Bagger competition

2. **Press Release**
   a. A press release should read like an article, with quotes and facts, to stimulate possible pick-up by small papers and to generate print and broadcast reports at larger outlets
   b. A press release creates an image and story that journalists can use alone or use as background when writing a story
   c. Submit a press release the day after your Best Bagger competition

The National Grocers Association has provided templates to use when contacting your local media. You can find these at the end of the Best Bagger Handbook on page 23 & 24. If you need help with social media, contact the National Grocers Association at bestbagger@nationalgrocers.org for assistance.
A key element in planning a successful, stress-free Best Bagger competition, is allowing enough time for both preparation and execution. What may work for a large State Association may not work for a retailer, so below you will find a sample time schedule that will serve as a guideline for both. Don’t forget that one of the main points of this competition is to have fun — so make this competition your own!

**Two to three months before the competition**

1. Choose a location for your competition
   a. You will need ample space for all of the following:
      - Equipment- tables, products, etc.
      - Contestants
      - Emcee
      - Timers/Re-Setters
      - Scorekeepers
      - Judges
      - Cheerleaders/Spectators
   b. Example locations:
      - State Fairs
      - Parking Lots
      - Convention Centers
      - Community Theaters
      - Warehouse

2. Announce the competition to your employees via flyers or internal memos
   a. Include:
      - Rules
      - Judging Criteria
      - Entry Form (for internal competitions)
      - Any incentives you may have as a prize for the winner

3. Turn in the appropriate Best Bagger competition form to the National Grocers Association’s Best Bagger Coordinator at bestbagger@nationalgrocers.org
MOCK BEST BAGGER EVENT TIMELINE

Six weeks before the competition
1. Encourage your employees who spend at least 25% of their time bagging to enter the competition.
   a. Having trouble getting employees excited? Check out the following ideas to help gather support:
      • Prize for the winner
      • Give your contest a theme
      • Add a "spirit" award
      • Remind your employee that they have the opportunity to compete at the NGA National Best Bagger Competition in Las Vegas and vie for $10,000.00 in prize money
2. Begin recruiting your Best Bagger team
   a. You will need the following:
      • One emcee
      • Two judges
      • One person as a timer/re-setter per check stand
      You may need to wait until a week prior to the competition, so ask for volunteers for this role later since it depends on how many baggers you have competing per heat
      • Two scorekeepers
      Again, you may need to wait until a week prior to the Competition, so ask for volunteers for this role later since it depends on how many baggers you have competing per heat
3. Publicize your Best Bagger Competition to the press and advertise on social media platforms. Need help? Let us know! NGA is happy to assist you with marketing initiatives.

Four weeks before the competition
1. Announce your Best Bagger competition to your customers
   a. NGA is more than happy to assist you in creating promotional items for you to use in your store and/or on social media platforms
2. Invite your local and state representative to come to your Best Bagger competition
3. Double check that you have all that you need to run a successful Best Bagger competition

One week before the competition
1. Send out media advisories and press releases to your local media
2. Send rules and judging instructions to Judges
3. Double check that you have everything you need to run a successful and fun Best Bagger competition
Mock Best Bagger Event Timeline

Two hours before the competition
1. Set up your Best Bagger competition space
   a. Don’t forget your product labels!
   b. See page 10 of the Best Bagger Handbook for examples of proper set-up
2. Check to make sure that all equipment works properly

One hour before the competition
1. Best Bagger team arrives
2. Go over the rules with your Best Bagger Team
3. Do an example heat so that your Best Bagger Team knows what to expect

Thirty minutes before the competition
1. Baggers arrive
2. Review the rules with your Best Bagger contestants
3. Most importantly....Have fun!
Each contestant will bag identical grocery orders consisting of 30 to 38 commonly purchased items. Feel free to use this list or make up your own. **No advance grocery order will be available for the 2021 National Best Bagger Championship.**

MEDIA ADVISORY

[STATE ASSOCIATION/STORE NAME] to Hold [STATE/AREA]'s Best Bagger Competition

Winner will compete for $10,000 Grand Prize at National Championship

WHAT: [STATE ASSOCIATION/STORE NAME] will host the [STATE/AREA]'s [XX]th annual Best Bagger Competition for supermarket employees, demonstrating a superior core customer service skill in a friendly competition.

WHEN: [DATE] at [TIME]

WHERE: [STATE ASSOCIATION/STORE NAME]
[ADDRESS]

WHO: Best Bagger competitors representing large regional food retailers as well as small local operators from throughout the state will vie for a chance to face-off against other Best Baggers from across the county and claim the title of the National Grocers Association Best Bagger Champion.

CONTACT: [NAME], [EMAIL], [PHONE NUMBER]

DETAILS: In addition to a year’s worth of “bagging rights,” [STATE/AREA]’s crowned Best Bagger will go on to compete at the national championship, held in March 2021 for a $10,000 grand prize.

For more information on the NGA National Best Bagger Competition, visit www.bestbagger.com.
[INSERT State Association/Host Name] Holds [INSERT State] Best Bagger Competition

Winner will compete for $10,000 Grand Prize at the NGA Best Bagger Championship

(CITY, STATE) – Competing against ## other competitors from across the state, [NAME] of [STORE] in [CITY, STATE] took home first place of the [INSERT STATE] Best Bagger Competition.

[NAME] will go on to compete at the National Grocers Association (NGA) Best Bagger Championship, at NGA’s annual convention, The NGA Show, held March 8, 2021.

Contestants are judged by speed of bagging, proper bag-building technique, weight distribution in the bag, as well as style, attitude and appearance.

In addition to taking home “bagging rights” for the year, the national winner will be awarded with the $10,000 grand prize. The runner-up bagger receives $5,000, while third to fifth place contestants each win $1,000 cash prizes.

The NGA Best Bagger Championship, generously sponsored by PepsiCo, is the culminating event of a yearlong nationwide contest, in which the winning contestant from each participating state is eligible to compete in the annual national Best Bagger Championship.

About NGA
The National Grocers Association (NGA) is the national trade association representing the retail and wholesale grocers that comprise the independent sector of the food distribution industry. An independent retailer is a privately owned or controlled food retail company operating a variety of formats. The independent grocery sector is accountable for close to 1% of the nation’s overall economy and is responsible for generating $131 billion in sales, 944,000 jobs, $30 billion in wages, and $27 billion in taxes. NGA members include retail and wholesale grocers, state grocers associations, as well as manufacturers and service suppliers. For more information about NGA, visit www.nationalgrocers.org.
Please print neatly and complete the form below with details regarding your state Best Bagger competition. If you have any questions, please call the National Grocers Association at (703) 516-0700 or email bestbagger@nationalgrocers.org.

### DISTRIBUTION OF WEIGHT BETWEEN BAGS

Weigh each bag and record each weight on this form. Take the heaviest bag weight, minus the lightest bag weight and subtract the difference from the total possible points.

**EXAMPLE:**
- Heaviest bag: 13.15 lbs. Total possible points 5.00
- Lightest bag: 12.05 lbs. Weight difference -1.1
- Weight difference: -1.1 Total points to award 3.9

### PROPER BAG BUILDING TECHNIQUE

One point for each Yes circled

<table>
<thead>

<td>Item(s) left on the check stand? (1 point deducted for each item left on check stand)</td>
</tr>
<tr>
<td>Y N</td>
<td>Bag or bags left on the rack(s)?</td>
</tr>
</tbody>
</table>

### STYLE, ATTITUDE AND APPEARANCE

All contestants should present a neat appearance, be polite and convey a customer-oriented attitude. Contestants will be judged in part on their composure and self-confidence.

### TOTAL POINTS

- 30
Special Event Considerations
During the COVID-19 Pandemic

Considerations when hosting an in-person Best Bagger Competition
Below are guidelines sourced from CDC and other event professional organizations outlining steps that can be taken to provide as safe an environment as possible when hosting an in-person competition.

Prior to the competition
- Ask contestants, spectators and staff to stay home if they have tested positive for COVID-19 or are showing COVID-19 symptoms.
- Advise employees and attendees to stay home and monitor their health if they have had a close contact with a person who has symptoms of COVID-19 within the past 14 days.
- Encourage attendees ahead of the event to bring and use cloth face coverings at the event.
- Ensure adequate supplies to support healthy hygiene behaviors. Supplies include soap, water, hand sanitizer containing at least 60 percent alcohol, paper towels, tissues, disinfectant wipes, cloth face coverings (as feasible), and no-touch trash cans.
- Develop and post signs in highly visible locations (e.g., at entrances, in restrooms) that promote everyday protective measures and describe how to stop the spread of germs by properly washing hands and properly wearing a cloth face covering.
- Consider developing flexible refund policies for attendees for events that involve a participation fee.

During the competition
- Strongly consider having the event outside.
- Limit the number of spectators to allow for social distancing.
- Stagger and limit attendance times to minimize the number of guests at the venue.
- Change seating layout or availability of seating so that people can remain least 6 feet apart.
- Use multiple entrances and exits and discourage crowded waiting areas.
- Block off rows or sections of seating in order to space people at least 6 feet apart.
- Eliminate lines or queues if possible or encourage people to stay at least 6 feet apart by providing signs or other visual cues such as tape or chalk marks.
- Offer online attendance options in addition to in-person attendance to help reduce the number of attendees.
- Provide physical guides, such as tape on floors or sidewalks and signs on walls, to ensure that individuals remain at least 6 feet apart in lines and at other times (e.g., guides for creating one-way routes).
- Space out competitors check stand stations 6 feet apart — this might require additional heats for the competition.
- Require frequent employee and contestant handwashing (e.g., before and after bagging the products) with soap and water for at least 20 seconds and increase monitoring to ensure adherence.
- If soap and water are not readily available, employees can use hand sanitizer that contains at least 60% alcohol and rub their hands until dry.
- Attendees often exchange handshakes, fist bumps, and high-fives at meetings and sporting events. Display signs (physical and/or electronic) that discourage these actions during the event.
During the competition (continued)

- Require the use of cloth face coverings among contestants and staff. Cloth face coverings are most essential in times when physical distancing is difficult (e.g., when moving within a crowd or audience).
- Cloth face coverings are strongly encouraged in settings where individuals might raise their voice (e.g., shouting, chanting, singing).
- Clean and disinfect frequently checkout stands between uses of each heat.
- Clean and disinfect shared objects between uses—for example, payment terminals, tables, countertops, bars, and condiment holders.
- Ensure adequate supplies to minimize sharing of high-touch materials to the extent possible; otherwise, limit use of supplies and equipment to one group of staff members or attendees at a time, and clean and disinfect them between use.
- Be aware of local or state regulatory agency policies related to group gatherings to determine if events can be held.

THE COMPETITION IS IN THE BAG!
